Exhibiting at the 1st ECO-MANufacture 2004 (Exhibition on Environmental Measures of the Manufacturing Industry)

In November 2004, the Oki group exhibited at the 1st ECO-MANufacture 2004 (an exhibition on environmental measures of the manufacturing industry), which was held at the Pacifico Yokohama. At this show, we presented our environment-related systems and services, all well suited for the practice and proven through the rich experience and advanced technology of the Oki group. Our booth was visited by a large number of guests, who deepened their interest in these matters.

Exhibition of Environmental Activities at a Flea Market Venue in Numazu City ...

Our Numazu district, a site developing and manufacturing traffic and acoustic positioning systems, showed panels on their environmental activities in a corner of a flea market sponsored by Numazu city at the KIRAMESSE NUMAZU also in fiscal 2004.

Exhibition at a Flea Market Venue

Meeting with Environmental NPOs

In February 2005, we held meetings with environmental NPOs, other companies, students, etc. at the "Environmental Education Kanto Meeting - CSR Subcommittee" held by the Independent Administrative Institution "National Youth Houses." Oki and a number of other participating companies presented examples of their CSR activities - mainly environmental activities - and exchanged opinions as to how a company can cooperate with local people from the aspect of CSR, and what issues are to be solved.

Environmental NPO Meeting

Support for External Organizations (Supporting Environmental NPOs/NGOs)

Oki supports environmental NPOs/NGOs.

Green Earth Center

Morizukuri (Forestation) Forum

Nippon Environment Club

Nature Conservation Society of Japan (Foundation)

Ecosystem Conservation Society-Japan
 (co-sponsorship in All-Japan School Biotope Contest)

External Recognitions (External Prizes)

The Oki group has received numerous awards in recognition of the group's efforts for environmental conservation. In fiscal 2004, the IMS Center*¹⁾ awarded us with the "IMS Japan Prize for Project Achievements" for the development of lead-free connection technology in the award ceremony for the IMS Japan Prize for Papers and the IMS Japan Prize for Project Achievements of fiscal 2004.

*1) IMS Center : An organization to support IMS projects established in the Manufacturing Science and Technology Center. IMS is short for "Intelligent Manufacturing System." It is a framework for joint research and development on issues of the manufacturing industry with international cooperation of industry, government and academia.

IMS Award Ceremony

Month / Year	Recipient	Award Name (Sponsor)	Reason for the Award
10/1998	Miyagi Oki Electric Co., Ltd.	President's Award, The 17th National Plant Greening Promotion Assembly (Japan Greenery Research and Development Center)	Production plant location with consideration to the natural environment and maintenance of seasonal trees
2/1999	Miyazaki Oki Electric Co., Ltd.	Director's Award, Superior Energy Control Plan category, Kyushu Bureau of Economy, Trade and Industry	Remarkable results in the rationalization of plant energy usage
2/1999	Miyagi Oki Electric Co., Ltd.	Director General's Award, Superior Energy Control Plan category, Agency of Natural Resources and Energy	Remarkable results in the rationalization of plant energy usage
10/1999	Honjo district	Certificate of Appreciation for Greening Efforts (Honjo City)	Contributions to the creation of "Honjo, city of green and health"
10/1999	Hachioji district	President's Award, High Pressure Gas Safety Institute of Japan	Compliance with laws and regulations, education and drills, day-to-day operation, accident-free record, etc.
2/2000	Hachioji district	Highest Award, Kanto Region Electricity Usage Rationalization Committee	Outstanding records in electrical power usage rationalization activities
2/2000	Nagano Oki Electric Co., Ltd.	Director's Award, Superior Energy Control Plan category, Chubu Bureau of Economy Trade and Industry	Remarkable results in the rationalization of plant energy usage
5/2000	Miyazaki Oki Electric Co., Ltd.	Superior Award, High Pressure Gas Safety Institute of Japan	Contribution to disaster prevention and safety assurance through the promotion of voluntary safety activities for high pressure gas
11/2000	Honjo district	Certificate of Appreciation for Greening Efforts (Honjo City)	Contributions to the creation of "Honjo, city of green and health"
2/2001	Hachioji district	Highest Award, Kanto Region Electricity Usage Rationalization Committee	Outstanding records in electrical power usage rationalization activities
1/2002	Miyagi Oki Electric Co., Ltd.	Minister's Award, Superior Energy Control category, Ministry of Economy, Trade and Industry	Remarkable results in the rationalization of plant energy usage
1/2002	Miyazaki Oki Electric Co., Ltd.	Director General's Award, Superior Energy Control Plan category, Agency of Natural Resources and Energy	Remarkable results in the rationalization of plant energy usage
11/2002	Honjo district	Certificate of Appreciation for Greening Efforts (Honjo City)	Contributions to the creation of "Honjo, city of green and health"
1/2003	Changzhou OKI-GEG Telecoms Ltd.	Model Company for Environmental Conservation (Changzhou City, China)	Efforts for environmental conservation in Changzhou City
10/2003	Miyazaki Oki Electric Co., Ltd.	Superior Award, High Pressure Gas Safety Institute of Japan, Miyazaki Prefecture (General) Award of the Governor of Miyazaki Prefecture (Award for Excellent Manufacturing Sites)	Remarkable success in disaster prevention and safety involving high pressure gas
1/2005	Takasaki district / Nagano Oki Electric Co., Ltd.	IMS Japan Prize for Project Achievements	Remarkable results in the development of lead-free connection technology
