

OKI Group Values

The OKI Group Action Principles we enacted in September 2016 give formal expression to values shared by all OKI Group executives and employees. Amid large changes in the business environment, we seek to embed these principles as extensively as we can into our practices with the commitments expressed in the OKI Group Charter of Corporate Conduct and the OKI Group Code of Conduct as the cornerstones of our corporate activities. We seek to realize our corporate philosophy by striving to embody our vision.

Corporate Philosophy

The people of OKI, true to the company's "enterprising spirit," are committed to creating superior network solutions and providing excellent information and communications services globally to meet the diversified needs of communities worldwide in the information age.

The OKI Group helps create a safe and convenient infrastructure for customers and society as a whole through the key Japanese concepts of "Mono-zukuri" and "Koto-zukuri."

*Mono-zukuri: to have the spirit and mind-set to innovate, create and improve products

*Koto-zukuri: to work together, proactively seeking opportunities that deliver value to customers
