

Products

Information Systems

System Solutions Company

Airport check-in systems
Reservation and ticket-issuing systems for travel agencies
Self-service reservation and ticketing systems
Multipoint video conference systems
Network-based video surveillance systems
Intelligent transport systems (ITSs)
Underwater acoustic systems

Financial Solutions Company

Banking branch systems
Integrated image processing systems
Call center systems
ATMs
Remote branch terminals
Unified cash management systems
Iris recognition systems
e-banking solutions
Channel-link CRM solutions

NetBusiness Solutions Company

Internet payment solutions
Web site system construction solutions
Internet transaction consulting services
Electronic statement presentation systems

Enterprise System Solutions Company

Enterprise resource planning (ERP)
Supply chain management (SCM)
Infrastructure management (IM)
Product life-cycle management (PLM)
Customer relationship management (CRM)

Public Systems Company

Fire information center solutions
Fire information wireless systems
Disaster prevention wireless systems for communities
Disaster prevention information systems for local governments
VoIP-based announcement systems
Telemetry and telecontrol systems

Oki Data Company

Color LED printers
Monochrome LED printers
Serial impact dot matrix printers
LED facsimiles

Telecommunications Systems

Network Systems Company

Optical fiber network systems
Passive optical network (PON) systems
Multimedia communication servers
VoIP systems
CTI systems
Visual communication systems
Digital subscriber line (DSL) systems

IP Solutions Company

Multimedia communication servers
IP-PBXs
VoIP gateways for enterprises
Residential VoIP gateways
IP telephony systems
Multi-key telephones
CTI systems
Convergence application servers
Hi-fi telephone terminals
Visual communication systems
DSL systems
IP Centrex/Hosted IP-PBX services to enterprises
Interoperability verification/voice quality evaluation services for IP telephony systems

Multimedia Messaging Company

CTI systems

Broadband Media Company

Video streaming servers
Video on demand systems
Live video delivery systems
IP broadcast systems
PC conference systems

Electronic Devices

Silicon Solutions Company, Silicon Manufacturing Company

Sound generator LSIs
PHS base band LSIs
Radio controlled clocks LSIs
Microcontrollers
Display Controller/Driver
P2ROMs
Application-specific memories (ASMs)
4Mb, 16Mb and 64Mb DRAMs
Foundry services

Optical Components Company

Gallium arsenide (GaAs) devices
Electro absorption modulators
Laser diodes and laser diode modules
Photo diodes and photo diode modules

Manufacturing and Service Businesses

Manufacturing Service Company

System equipment manufacturing
Network equipment manufacturing
Consignment production of electronic equipment
Experimental manufacturing services
Consignment production for mechatronics and electronic equipment
Staging services
Solutions to heat dissipation

Oki Customer Adtech

Maintenance support services
IT management services
System network equipment and printer sales
Supply office tool sales
