Editorial Policy

- The OKI Group "CSR Report" featuring our corporate social responsibility efforts and results is published in order to inform our stakeholders of the group's initiatives in an easy-to-understand way.
- Since the establishment of CSR Promotional Organization in fiscal 2005, OKI has worked continuously with a focus on the defined activity areas, assuming the OKI Group's social responsibilities that are deeply rooted in our Corporate Philosophy. The present report mainly describes the results of the activities in each of these areas for fiscal 2014.
- In the Special Features section, the two themes are featured as "Meeting Our CSR Commitments." In the articles, the important issues for us as we work toward achievement of the Mid-term Business Plan 2016 are placed on the horizontal axis, while the global initiatives and the stakeholders' voices received in various aspects of the corporate activities are placed on the vertical axis.
- Detailed information on each priority theme, such as that on specific policies and systems for it, are provided on our website. Also, regarding our environmental response, we issue an "OKI Group Environmental Report" containing detailed information on all sorts of data. Note also that the information on the website also includes a comparative table that shows the relationship between the OKI Group's CSR activities and the core themes of ISO26000.

[Information featured in this PDF version of the report]

Stakeholders' interests
