

## Enterprise class A4 mono printers for improved business efficiency

The B700 Series A4 mono printers bring fast, reliable printing to the busy workgroup. The B700 Series combine advanced security, management and performance with robust and durable technology offering speeds of 52 pages per minute (ppm) for improved office efficiency.

The B700 Series improves workgroup productivity with a fast processor to tackle high volume print jobs, a maximum input capacity of 3,160 sheets and high yield cartridges for less user intervention. Reliable high performance with up to 200k monthly duty cycle, you get a printer that offers complete versatility to handle a variety of media in any working environment.

And, for added versatility the B731dnw offers wireless connection that allows you to place your printer wherever is most convenient.

### Robust and efficient

The B700 Series has been designed to deliver an extensive range of high value features as standard.

### Improving business productivity

- Up to 52ppm print speed and time to first print, less than 5 seconds
- Duplex as standard, for in-house professional printing
- Paper capacity of up to 3,160 sheets
