ML4410 Specifications

The most reliable, powerful and durable 9-pin forms printer in its class

For the most demanding printing requirements

Stand-alone or shared by a workgroup, the ML4410 is a heavy-duty, 9-pin, impact printer that can handle your most demanding forms printing requirements.

Designed to handle multi-part listings (up to 10 part paper) and computer printouts with reliability and superior throughput, even at extremely high speeds, the ML4410 is ideal for businesses requiring high volume, unattended print runs.

Low cost of ownership

With the ability to handle media stocks up to 40% thicker than its closest competitors, as well as clear prints from page 1 all the way through to the final page of a multi-page form, the ML4410 is perfect for businesses requiring media flexibility and attention to detail. And with low cost of ownership it is ideal for businesses including purchasing, distribution, finance and IT.

Perfect for any environment

If you are looking for a printer that can withstand a rugged environment, the ML4410 is built with a metal chassis providing greater rigidity and strength and even the tear bar is long-lasting metal – for clean precise cutting.

OKI's commitment to customers

The OKI brand is one of proven reliability and value. We provide printers that increase our customers' long-term business performance without impacting their budget.

With almost half a century of experience in the impact printer industry, with OKI you are guaranteed a best-in-class, low cost, reliable and easy to use printer. And, for total peace of mind just register your product and take advantage of our extended three-year warranty at no extra cost.

Highlights:

- 136 column dot matrix printer
- OKI's unique, high durability 9-pin printhead
- Rugged metal design for stability and durability
- Up to 1066 characters per second (cps) print speed
- Multi-part paper-handling (original + 9 copies)
- Ideal for high volume tasks such as accounts, finance and IT
- Networkable via optional OKILAN 7120e Network Card
- Three-year warranty as standard (product registration required)
