

ML395B/ML395C Specifications

OKI
PRINTING SOLUTIONS

A fast, versatile and reliable 24-pin printers, with low running costs

High quality, high volume perfect for demanding environments

The ML395B and four-colour ML395C deliver relentless, high speed, high volume output. With flexible paper handling capability, these impact printers are suitable where heavy duty word and high volume data processing are required.

The ML395C has the added benefit of colour, making it ideal for creating reports or presentations, as well as high quality, high volume mail shots.

The fastest in their class

Each of the four print speeds is amongst the fastest in its class

- At 607 characters per second (cps), the High-Speed Draft mode blasts through spreadsheet reports in no time
- The 485cps Utility and 245cps Utility Near Letter Quality modes deliver drafts and memos at speed
- The 165cps Letter Quality mode delivers crisp, clear correspondence and proposals on demand

Flexible media and forms handling

The ML395B/ML395C optional bottom push tractor and the bottom feed's straight-through paper path are perfect for labels, card stock and forms with up to 5 parts. The top feed is ideal for single sheets and envelopes and the rear push feed for fanfold paper.

A time-saving 'paper park' function lets you switch forms at the push of a button and the zero-tear function advances a printed page to the perforation and lets you tear it off cleanly and precisely, whilst automatically positioning the next page ready for printing.

OKI's commitment to customers

The OKI brand is one of proven reliability and value. We provide printers that increase our customers' long-term business performance without impacting their budget.

With almost half a century of experience in the impact printer industry, with OKI you are guaranteed a best-in-class, low cost, reliable and easy to use printer. And, for total peace of mind just register your product and take advantage of our extended three-year warranty at no extra cost.

Highlights:

- 136 column dot matrix printers
- OKI's unique, high durability 24-pin printhead

- Up to 607cps print speed
- Letter quality 24-pin print
- Crisp clear printing, even on 5-part forms
- Eight scalable barcodes and four text fonts
- 5 million character mono ribbon life (ML395B)
- 7 million character colour ribbon life (ML395C)
- Zero-tear capability through any paper path, with auto-advance
- Three-year warranty as standard (product registration required)

Variants available:
ML395B
Mono version
ML395C
Colour version

ML395B and ML395C - Dot Matrix Printers

PRINTER	
Number of pins	24
Columns	136 (10cpi); 272 (maximum in compression mode)
Character pitch	10/12/15/17.1/20 pitch and proportional
Graphics resolution	Up to 240 x 360dpi
Print speed	Fastest Print Speed: 607cps; Utility: 486cps (12cpi), 405cps (10cpi); Letter Quality: 162cps (12cpi), 135cps (10cpi)

INTERFACE AND EMULATIONS	
Interfaces	Centronics parallel interface, Serial RS 232C
Emulations	Epson LQ, IBM ProPrinter X24E/X24E AGM
Typeface & font	HSD, Utility, NLQ, Courier, Roman, Swiss, Swiss Bold, Prestige, Gothic, Barcodes
Typestyle	Emphasised, Enhanced, Double Width, Double Height, Italics, Superscript, Subscript, Underline, Overscore

PAPER HANDLING	
Continuous paper	76 - 406mm
Continuous envelopes	239 x 102mm
First printable line (from top of page)	Continuous (multi-parts): 23.3mm; Cut sheet (single sheet): 25.4mm
Copy capability	Up to 1 original + 3 copies
Paper feeding	Paper parking, Zero tear-off, Semi-autoload single sheet, Rear push tractors
Optional paper feeding	Pull tractor, Bottom push tractor

GENERAL FEATURES	
Input buffer	23Kbytes
Power supply	Single phase 220 to 240VAC, +/- 10%, frequency 50/60Hz, +/- 2%
Power consumption	Operating: 300W; Non-operating: 60W
Noise level	58dB(A); 56dB(A) (quiet mode)
Dimensions (HxWxD)	180 x 570 x 417mm
Weight	17kg approx
Print Head life	200 million characters (average) in 10cpi Utility mode at normal 25% duty cycle, 35% page density
Reliability	MTBF: 8,000 hours (duty cycle 25%, page density 35%)
Warranty	3 years extended warranty upon registration within 30 days of purchase
Product order numbers	ML395B: 09000327; ML395C: 09000332

ACCESSORIES (ORDER NUMBERS)	
Pull Tractor	09002377
Bottom push tractor	09002378

CONSUMABLES (ORDER NUMBERS)	
Black Ribbon (5 million characters)	09002311
Colour Ribbon (7 million characters)	09002312 (ML395C only)
