

ML1190 Plus Specifications

OKI
Open up your dreams

A low cost, high volume 24-pin printer for reliable impact printing.

Compact, durable and easy to use

Designed for general business and point of sale use, the 24-pin ML1190 Plus easily handles a wide range of applications, such as invoices, receipts, inventory reports, spreadsheets, packing slips and more.

The fastest print speeds in its class

Whether in Super-Speed Draft, High-Speed Draft, Utility or Near-Letter Quality modes, the ML1190 Plus enables end users to get more done in less time.

Highly versatile and easy to use

The ML1190 Plus prints on cut sheet paper, and continuous forms up to 5 parts. With features such as zero-tear and auto park positioning, each form tears off cleanly and easily, eliminating waste. Changing the paper path from a rear push tractor to a bottom pull tractor is also quick and easy to do, requiring no separate options. Choose from a parallel, serial and USB 2.0 connectivity, all are provided in the box as standard.

Perfect fit for your environment

The ML1190 Plus is so compact it will suit any environment. For example, it is ideal for the front counter or in the back office. And, its streamlined chassis conceals the parallel, serial and USB ports.
