Consumables Information: Only use genuine OKI Printing Solutions Original consumables to ensure the best quality and performance from your hardware. Non OKI Printing Solutions Original products may damage your printer's performance and invalidate your warranty.

Simply Unique - 3 Year Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed by independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years – for free! Simply register your product within 30 days of purchase to be eligible for our unique all inclusive offer. Fully covered by OKI! For further information please visit: WWW.OKIPRINTINGSOLUTIONS.CO.UK/WARRANTY Without registration, the standard pan-European 1 year warranty applies.

ML3410 Specifications

OKI

The heavy-duty, high speed 9-pin printer for large-volume forms printing

Powerful and reliable

The ML3410 is a powerful, dependable, 9-pin dot matrix printer designed to handle the most data-intensive applications at very high speeds.

With impressive copy capabilities the ML3410 can produce up to eight multi-part copies at any one time, whilst maintaining clarity and providing extraordinary print quality on any surface.

Perfect for heavy duty print runs

With the flexibility of three paper paths, the ML3410 is ideally suited to businesses requiring heavy duty throughput on a variety of paper stock.

With parallel and serial interfaces as standard the ML3410 is perfect for networked / shared environments including purchasing, distribution, accounts, finance and IT departments.

OKI's commitment to customers

The OKI brand is one of proven reliability and value. We provide printers that increase our customers' long-term business performance without impacting their budget.

With almost half a century of experience in the impact printer industry, with OKI you are guaranteed a best-in-class, low cost, reliable and easy to use printer. And, for total peace of mind just register your product and take advantage of our extended three-year warranty at no extra cost.

Highlights:

- 136/272 column dot matrix printers
- Zero tear with auto from advance
- OKI's unique, high durability 9-pin printhead
- Multi-part continuous forms handling (original + 7 copies)
- Up to 550 characters per second (cps) print speed
- Three-year warranty as standard (product registration required)
