The OKI Academy: Increase your knowledge, grow your sales

Welcome to the OKI Academy, your one-stop-shop for OKI sales, product, technology and solutions training.

As a valued member of our extensive network of channel partners, we want you to get the most from our interactive, multilingual platform. Designed specifically to give you all the help, support and information you need to gain an in-depth understanding about OKI's products, technology and

solutions, the OKI Academy features courses that addresses all experience levels, skill sets and specific areas of focus.

Boost your confidence and develop your expertise to help sell OKI products and solutions and grow your business. The OKI Academy is continually expanding ensuring you have access to the most up-to-date courses.

Learning your way at the OKI Academy

As an OKI channel partner, you will receive access to our growing range of interactive online training courses. Covering a variety of general business and industry-specific solutions, registered users can view course details, choose those of most relevance and complete the training modules at your own convenience.

Struggling for time? No problem. The OKI Academy maintains a log of each of the modules previously accessed, conveniently enabling you to pause and retrieve or continue at a later date. Moving at your own pace, you can also view your current progress and return later to access further courses geared towards improving your knowledge.

Available on desktop/laptop, tablet and smartphone, the OKI Academy web portal can be accessed remotely and used on the go*. The user can access the whole learning platform, making it convenient to pause and pick up a course from where you left off, across multiple devices.

*Minimum desktop browser requirements:

Internet Explorer 10 - 11, Firefox 24.0 - 33, Safari 7 - 8, Chrome 12 - 38.0, or later

Rewards, certification and points

As an added bonus, the OKI Academy rewards active and returning partners. Points will be awarded each time you complete a course.

Once a course is complete, the OKI Academy will unlock further modules and related assets such as brochures, product specification sheets, videos and other useful documents which can be found within the Resource Centre.

A number of these must-attend courses have a mandatory assessment which partners must successfully complete to earn points and receive a downloadable certificate.

Passed with flying colours? Why not share your achievement and advertise your OKI knowledge and expertise by displaying an 'OKI Academy Trained' badge on your LinkedIn or Facebook page.

ACADEMY

OKI, the smart choice for business

60+ years of pioneering eco-friendly print technology

For over 60 years OKI has been delivering advanced printing solutions worldwide, introducing ground breaking technologies that have supported the needs of businesses large and small. Our pioneering development of digital LED printing technology has placed OKI at the forefront of the market in delivering award winning, high definition, eco friendly printing devices.

Complete peace of mind

OKI's partners and customers can have complete peace of mind as we provide a 3 year warranty as standard on most of our printers and MFPs, providing the product is registered within 30 days of purchase.

Smart Solutions

OKI provides Smart Solutions as an integrated suite of software, technologies and tools to enhance print and document workflows, management and security to meet the needs of businesses whether office based, mobile or in the cloud.

A combination of product, service and reliability makes OKI the smart choice for business.

There are many reasons to join the OKI Academy, here are just a few...

Bespoke access learning levels with multi-lingual user interface

Academy rewards, certification and points

Increased knowledge and sales

'OKI Academy Trained' badge for social media profiles

Shared resources
